Dear **Lasallian Partners and Collaborators:**

**Warmest Lasallian Greetings!**

I would like to inform the members of the LASSAI-LASSO community, that after ten (10) years of faithful and dedicated service as Executive Director, Br. Ophelia S. Fugoso AFSC will be retiring on May 15, 2021. This was confirmed during the recent LASSAI Board of Trustees meeting held last April 5, 2021.

In light of her retirement, I am pleased to inform the community that **Br. Felipe C. Belleza Jr. FSC**, Auxiliary Visitor of the Lasallian East Asia District (LEAD) has been designated as **Officer-In-Charge (OIC) Executive Director of the Lasallian Schools Supervision Office (LASSO)** effective April 30, 2021.

Kindly extend your usual support to Br Felipe FSC as he leads the operational arm of the association, to furthering the mission of our founder, St. John Baptist De La Salle – to give a human and Christian education to the young, especially the poor.

We express our sincerest and deepest gratitude to Br Ophel for steering LASSAI-LASSO during these very challenging years and guiding our community towards sustainable quality education, especially for our marginalized students, promoting the development of the faculty, staff, and administrators of our schools, and shepherding with care and concern our LASSO superintendents, supervisors, and staff.

You have been St. La Salle to us, Brother Ophel. May you be blessed with good health, and enjoy the company of family and friends in the days ahead.

**Live Jesus in our hearts, Forever!**

Yours in St. La Salle,

  
**BR. RAYMUNDO B. SUPLIDO FSC**  
Chairman/President
